Mr. Thomas K. Latimer, Staff Director
Permanent Select Committee on Intelligence
House of Representatives
Washington, D. C. 20515

Dear Tom:

In response to your letter of 7 February 1978, the appropriate Agency component has reviewed "The Citizen - Secret U.S. War Against South Africa" by Aida Parker and you may be assured that CIA is not, as alleged, supporting the activities of individuals or associations against the government of South Africa.

I trust that this is responsive to your interests in this matter. Enclosed herewith is the copy of the publication which you asked be returned.

Sincerely,

Acting Legislative Counsel
